Annual report 2022

Compiled for Siyabonga
www.verrein-siyabonga.org

Township residents regularly supported with food, among other things

ca. 175 aid packages distributed (-13%, approx. 200 in 2021), including food, hygiene and disinfection items and adult diapers

The number of church services and churchgoers has remained stable in recent years after falling sharply at the beginning of the Corona pandemic.

Every Sunday church service (ca. 35 church goers)

In addition, Bible study every Monday and Wednesday (ca. 15 participants) and choir practice every Sunday with approx. 8 members

Trips to clinic and government authorities have been resumed, but do not take place regularly.

We supported the **reconstruction of burnt-down huts** and provided families with basic equipment.

Green house was reactivated and **ca. 70 private gardens** were also planted by some of the residents. They mainly grow lettuce and vegetables.
