

Village project Muden & Keates Drift

Annual report 2022

Compiled for Siyabonga
www.verrein-siyabonga.org

One preschool supported less, a new one is supported additionally

Schools are visited around 3 times a month.
 In addition, around 20 different families were provided with basic necessities each month.

Number of children in supported schools is constant.

ca. 100 children

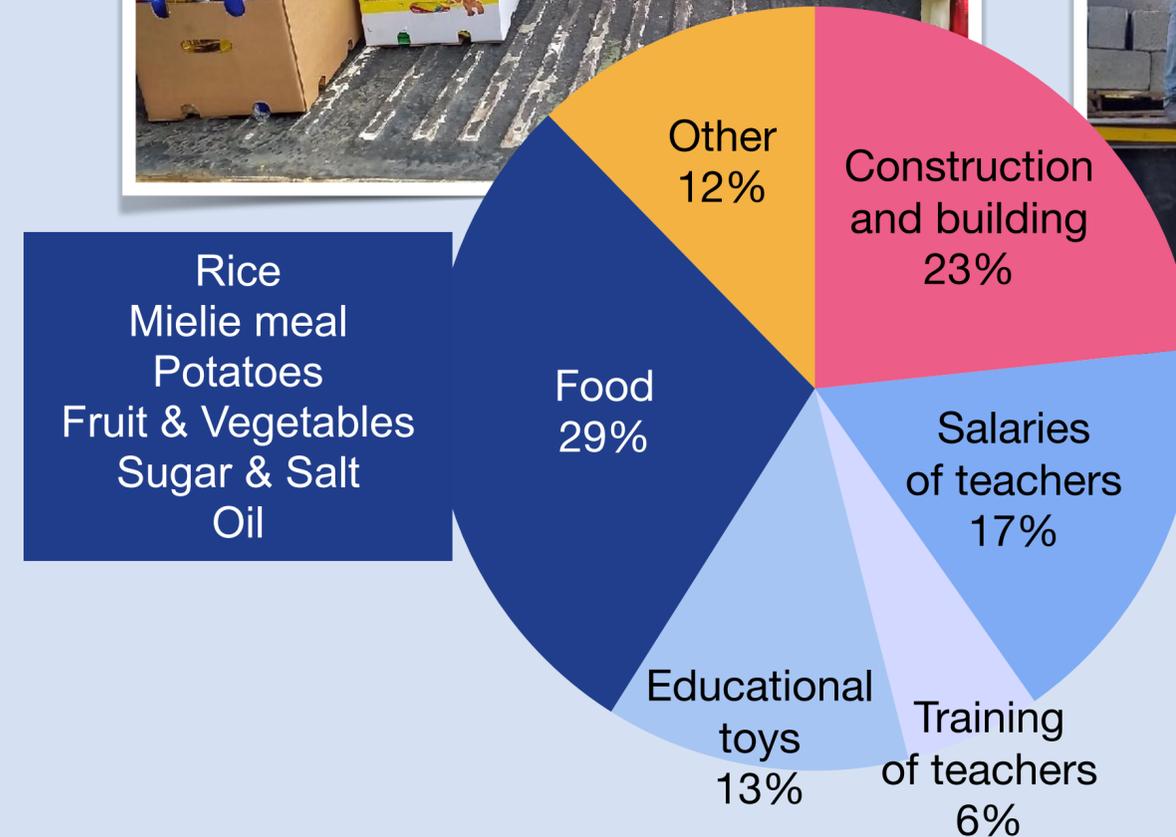

ø30 Muden
 ø70 Keate's Drift

Number of supported families slightly down due to focus on preschools (-15%), but roughly at pre-corona level.

ø20 families / month with total of ca. 150 parcels
 (180 in 2021, 600 in 2020)

Most of the donations were used for food and building materials. Focus was on **building the new preschool** with a playground, kitchen, toilets and vegetable gardens. In addition, further **protection against burglars**. Supported teachers completed their training successfully.
